Program: Heather Walz, Janesville Boys and Girls Club

Heather has been the unit director for 2 Boys and Girls club sites(Lincoln Elementary and the downtown club site) for 4.1/2 years. The Boys and Girls Club's mission is to inspire all youth (ages 6-18) to realize their full potential as caring, productive citizens. Heather believes the things that make the program special is a combination of their dedicated facility, trained professionals, their volunteers, availability (open every day), and their affordability. The Boys and girls clubs focus their efforts in 5 core areas: 1. Sports, fitness, and recreation, 2. Education and career development, 3. Arts and culture enrichment, 4. Health and life skills, 5. Character and leadership. The Boys and Girls club is always looking for volunteers, donations, sponsors for special events, art supplies, and carpentry work if anybody would like to help out.
