Did You Know?

Club delegates approved in principle the establishment of Kiwanis districts at the Providence, Rhode Island, convention in 1918. The purpose of Kiwanis districts is to promote communication and interchange between clubs and assist in carrying out the administrative responsibilities of Kiwanis International. Most of the original 19 districts were organized by the end of that year.

Thank you to Zach Goswick for taking meeting notes. Members having information for future newsletters can email editor@janessvillekiwanis.org.
