HUMAN & SPIRITUAL VALUES

**** OPEN ****

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

May 7, 2009, Vol. XXVII, No. 29

Frelich Wins the Pot; KANDU Provides Program

Students of the Month:

From Craig we had Audry Freeman and Kyle Goike, and from Parker it was Bernadette Sanderson and Baile Teeter.

Announcements:

Ed registered the following domain names: <http://www.parkerkeyclub.org/> and <http://www.craigkeyclub.org/> -Mothers Day breakfast is coming up NOW! We need more help. Please show up on Saturday morning for a few hours to help serve the mothers. 7am until 10:30 or 11, or whatever you can do!
-Club elections are just around the corner. If you are interested in serving your club as a board member or officer, please let Ben, Ed or and officer/director know as soon as possible. If you REALLY want to know what the club is doing and how we are making a difference, be on the board.

Ace pot drawing:

Andy Frelich did it! He successfully drew the ACE OF HEARTS!! It could have been you, if you had been there! On a side note ... Ed said he would get him the money when he found it :)

Happy Dollars:

-Laurie Huml Eckert was happy to see her neighbor at the meeting today. He was a Student of the month.

-Kevin O'Leary was happy that after 2 years he finally remembered to bring his name tag back to our meeting, only to find that we all have new name tags.
Don Chapin had a happy dollar for Laurie Huml-Eckert. She was a celebrity judge for (Dancing with the Stars??)

Program:

Jeannie Randles from KANDU was on hand today to inform us of some of the lesser known KANDU program.

They provide a Day Services / Memory Care program. This is very activity focused with emphasis on social opportunities and community day trips. Many volunteers are involved to help with the numerous activities.

Their Navigator Program is for kids age 16 through 21 who don't have the necessary support outside of school to be successful. They can earn certification in several skill areas and can choose to continue their skill development at Blackhawk Tech when they are finished or go directly into the workforce.

Most of us know that they have many volunteer opportunities. They also have a Wish List that is constantly changing and being updated. Take a look at it, you may have some old items that they could use. It's printed on the reverse side of this newsletter.

Thanks to Tom Waller for taking the notes. Members having information for future newsletters can email editor@janessvillekiwanis.org.
