

Noodles & Company

Our program today was presented by Jamie Swan and Michelle Boehm of the Noodles & Company restaurant chain. Jamie is the manager of the local restaurant which recently opened at hwy 26 & hwy 14. Michelle is the area Marketing manager for the chain.

"Janesville is filled with busy families who are interested in craveable, freshly prepared lunch and dinner alternatives," said Swan. "Noodles & Company fills that need with a sophisticated and broadly appealing menu of reasonably priced, tasty noodle bowls that span from spicy to comforting and healthy to indulgent – all made with fresh, authentic ingredients."

Noodles & Company's global noodle menu offers spicy, Asian-inspired noodle bowls like Japanese Pan Noodles, Spicy Peanut Salad and Pad Thai, as well as Mediterranean, European and American comfort food, including Pasta Fresca, Pesto Cavatappi and award-winning Wisconsin Mac & Cheese. Customers may add beef tenderloin, chicken breast, organic tofu and gulf shrimp to any dish. The complete Noodles & Company menu consists of freshly prepared noodle bowls, homemade soups, fresh garden and noodle salads, Organic Rustic Rolls and Authentic Flat Bread, as well as Puddin' cookies and made-fresh-daily rice crispy treats.

Most popular dish for Janesville customers is Wisconsin Mac & Cheese, according to Swan. Also, we must not be too much into the Atkins diet thing, as the local unit sells more bread than any other store in the chain.

Noodles & Company gets involved in the communities they serve, with a focus on family events. I'm sure committee chairs will remember that statement from their marketing manager!

Finally, If you were not in attendance, you missed a free gift card, for a free noodle bowl.
